

Mike Louie's Taekwon-Do School 10th Annual Dojang Championships - Saturday – May 11, 2019

Mr. Louie, would like to invite you to our 10th Annual Dojang Championships tournament. Competition will consist of PATTERNS, SPARRING and Special Event will be **Team Breaking**.

A tournament is a great way to see how you are doing against your peers in a fun and exciting way to test the student's technique. It also makes you a better Taekwon-Do student by giving you experience and knowledge to perform better in class.

Everyone who competes in at least patterns will receive a medal. Competition will be split by age and belt rank.

We will also have a special division for Little Dragons, Little Ninjas, Little Tigers ((or any age 3-6 year olds) to compete! They will be asked to perform a pattern of their choice and will be scored on a 5-9 ½ scale. For sparring the rules will be the same as above. We are

trying to encourage our next generation of students to compete to have fun!

This tournament is invitation only!

NOTES: We are guests at East Petersburg Area Civic Center. Previous years it was brought to my attention that competitors and/or spectators were found wandering around our facility. Competitors, family members and guests of competitors are only allowed in the bathrooms, Geneva Café (using exterior doors), and the gymnasium. All other rooms and sections of the building are off limits! You and your guests will be asked to leave the tournament with no refunds if you are found in off-limit areas. Staff and volunteers hosting the tournament are the exception. Please be respectful and follow the rules.

Patterns will be done with each contestant being scored by 3 or 5 judges. This event we will use the "flag" system (red/blue flags) of judging. Two competitors will compete side-by-side. Each competitor will perform a designated pattern by the judges, THEN the highest pattern of competitor's rank (if the student just tested they are allowed to perform one below their rank). After both patterns are done judges will point to the competitor who did both patterns with the least amount of mistakes. Winner moves onto the next round. Black belts are allowed to choose one of the three patterns for their rank.

Sparring will be 1½ minute continuous matches for Gups; 2 minute continuous matches for Black Belts. We will be using the bye-system of selection for matches for efficiency, quickness and fairness. Foam dipped hand, head, and feet gear must be worn. Mouth pieces are mandatory, males must wear groin cups. Self control must be used at all times! No contact for gups, light to medium contact for red belt and higher. This will be enforced throughout the tournament. Any excessive contact will be deemed unsportsmanlike-like and you could risk disqualification.
