

MIKE LOUIE'S TAEKWON-DO SCHOOL PRESENTS THE

2019 TAEKWON-DO MINI TUL-A-THON

Friday, April 26th 6:00-8:00pm at Mike Louie's Taekwon-Do School.
6020 Lemon St, East Petersburg, PA

Students of Mike Louie's Taekwon-Do School are asked to participate by doing at least 40 Taekwon-Do patterns during the above stated time period. Repetition is very important when trying to improve one's techniques in Taekwon-Do. Our goal is to do more than 800 patterns during the 2 hours. Record is 426 patterns per hours at Master Cashatt's TKD School.

This mini tul-a-thon is a fundraiser because by performing acts of charity can teach us many lessons and will help us with our goal of helping others whenever we can.

We will be asking for donations for
SABUMNIM CHRISTOPHER ALBANESE

Mr. Albanese is an amazing instructor and great friend to the Taekwon-Do community. He is one of the owners and head instructor of Legacy Life Center. He was recently hit by a car in his hometown of New Bruswick, NJ. He suffered multiple broken bones, nicks to his organs and was found to have bleeding on the brain. He is in an induced coma at the moment. The money collected will help with the HUGE medical bills expected when he released from the hospital.

** Participants can ask for flat donations (\$1, \$5 or whatever total)

** Participants can make it a challenge and figure how many patterns they plan on doing and ask for donations accordingly (for instance, \$1 for each set of 10 patterns)

** Participants do not have to raise money to take part in the tul-a-thon.

Please use the reverse side of this paper to keep track of your sponsors.
Good luck and have fun!!

Parents we are also looking for some donations of snacks and drinks to keep our Tul practioners going.

Students will be asked to perform as many patterns as they can within the 2 hour time window.
