

## Mike Louie's Taekwon-Do School 10<sup>th</sup> Annual Dojang Championships - Saturday – May 11, 2019

### Information for Little Dragons, Little Ninjas, Little Tigers competing

Mr. Louie, would like to invite you to our 10th Annual Dojang Championships tournament.

A tournament is a great way to see how you are doing against your peers in a fun and exciting way to test the student's technique. It also makes you a better Taekwon-Do student by giving you experience and knowledge to perform better in class.

We will also have a special division for Little Dragons, Little Ninjas, Little Tigers (or any age 3-6 year olds) to compete! They will be asked to perform a pattern of their choice and will be scored on a 5-9 ½ scale. For sparring they will try to “beat the clock” by scoring as many hits to a target while trying to block a blocker. We are trying to encourage our next generation of students to compete to have fun!

This tournament is invitation only!

### **Little Dragons, Little Ninjas, Little Tigers (or any 3-6 year olds not in regular TKD programs)**

**Patterns** will be done with each contestant being scored by 3 or 5 judges. This special event we ask these competitors to perform the pattern their instructor taught them, since each dojang teaches this age group a little differently. Patterns will be judged on a 5 to 9 ½ scale. We will try to keep the groups small so everyone goes home with a medal.

**Sparring** will be 1 minute continuous matches. This will be “beat the clock” style of sparring in which we ask the competitor to hit the square targets as many times in 1 minute as he or she can. The center judge will also have a blocker in which he/she will try to “bop” the competitor on the head. A successful block also earns points.

- 50+ points = gold medal
- 35-49 points = silver medal
- 0-34 points – bronze medal
